The Record's primary function is to serve the student body and faculty at Marion L. Steele by publishing a newspaper every six weeks. During the year of 1965-66, the Record Staff, in cooperation with the Journalism I and II classes, printed six newspapers concerned with all the student news from scholastic achievement to outstanding athletic prowess. The staff also had all the issues of the Record, some dating back to 1929, bound in a green and gold binder.

To keep the Record self-supporting, the staff sponsored "Geek Week." Gary Reynolds was crowned "Geek of the Week" at the "Geek Dance."

A FIRST FOR MLS

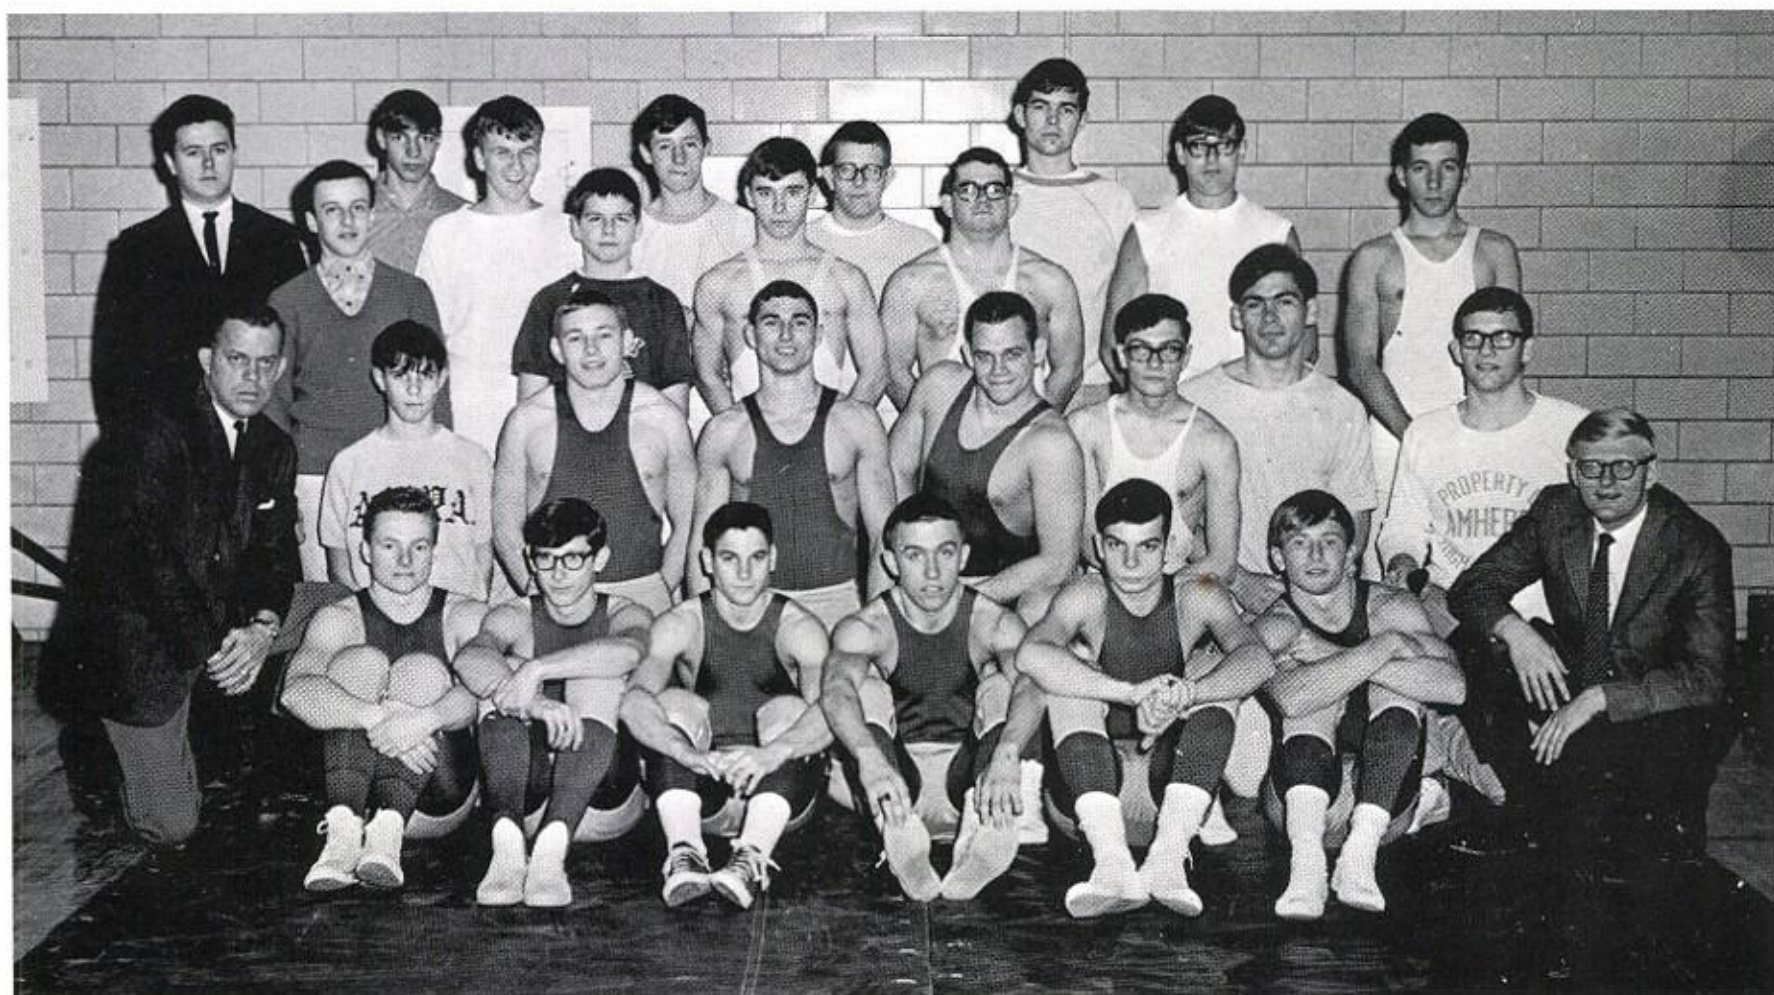

This year, for the first time, the boys at MLS were able to participate in a new varsity sport — wrestling. Coached by Jerry Olsen and Dennis Michalski, the Comet "matmen" did well in their first season. Because of the fine efforts of this novice team, hopes for next year's squad are high.
